admitNation

Partner Signup & Onboarding Guide

A new way of Onboarding partners through the AdmitNation Platform

Introduction

- The Partner Signup and Onboarding System is the digital gateway for all partners who wish to collaborate with us through the AdmitNation platform.
- Partners can include individual consultants, sole proprietors or registered businesses.
- This unified system ensures seamless onboarding, transparent data capture, and a strong partnership, while also making the onboarding process faster, more efficient and smoothly experience.
- Instead of handling physical documents or waiting for manual approvals, both partners and our internal onboarding team can now complete the entire onboarding process online seamlessly and securely.

Key Highlights

- One unified process for all types of partners (individuals, proprietors or businesses)
- Fully digital onboarding journey – no paperwork required
- Reduces delays and manual verification efforts
- Builds transparency and trust between partners and AdmitNation.

Step 1: Partner Signup

Every partner begins their journey by registering through the AdmitNation website.

To start :

- Visit AdmitNation.in on your browser.
- Navigate to "Recruitment Partners".
- Click on "Become a Partner".

You'll be directed to the Signup Form where you need to provide your basic details.

Signup Form Fields

Business Type – Select one of the following:

- Private Limited Company (Pvt. Ltd)/Registered Firm
- Sole Proprietorship
- Individual

Personal Details

- First Name
- Last Name
- Mobile Number (+91)
- Email Address

Terms & Conditions with AN Determination

Clicking this box indicates that you have read and agree to:

- **Non-Exclusive:** Partnership without controlling the lead. AdmitNation will manage the final admission.
- **The Successful Lead:** Focus on student engagement and counsels the best end-user choice in the institution.

Address Details

- Country
- State
- City
- Pin code
- Full Address

Referral (Optional)

If you were referred by someone, please enter their name or email address.

Step 2: Onboarding Process

Once a partner submits the signup form, they will receive an email containing a personalized onboarding link.

By clicking this link, the partner will be directed to the Onboarding Form.

The form fields and requirements may vary slightly depending on the business type selected during the signup.

Note:

- A partner chooses the wrong business type during signup, they need to fill out the signup form again on the website.
- Make sure to select the correct business type, as each one has different onboarding steps.

Let's go step-by-step based on business type.

There are three Business Type

1. Private Limited Company (Pvt. Ltd)/LLP/Registered Firm
2. Sole Proprietorship – Business owned and managed by single person
3. Individual – Independent professional

Business Type 1 Private Limited Company (Pvt. Ltd)/LLP/Registered Firm

Step 3 Review & Submit

Once all details are filled, review your form carefully.

You'll be required to check the consent box confirming:

- Your agreement with AdmitNation's Terms & Conditions and Privacy Policy.
- Consent to AdmitNation verifying your information and documents.
- Declaration that all provided information is true and accurate.

After review, click Submit to complete your onboarding form.

Step 3: Confirmation and Next Steps

Acknowledgement of Partner Information Submission

- Upon successful submission, the system sends a confirmation email to the partner's email address and acknowledgement email from support@admitnation.in.

- The email confirms the information has successfully submitted and provides a reference number for tracking the onboarding process.

The message also explains that:

- The AdmitNation team will contact the partner if any clarification is needed.
- Once the review is complete, the team will proceed with the next signing and onboarding process.
- Partners can reach out to support@admitnation.in at any time for updates or any questions.

Step 4: MOU Agreement Generation

- Once all the documents submitted by the partner are reviewed and the business relationship is approved (or at the discretion of Underwriting/ MOU) the partner's registered email receives an MOU.
- The MOU is customized based on the partner's business type and details and it outlines key roles, responsibilities, commission rates, and other terms governing the partnership.
- Partners must carefully read, digitally sign and return the MOU to complete the onboarding process.

Step 5: Digital Signature of MOU

Once the MOU is approved, partners can digitally sign the agreement directly through the system.

The AdmitNation system supports electronic signatures, making the process legally binding and fully online.

- 100% digital and secure signing process.
- Legally valid agreements.
- No delays due to physical meeting.

Step 6: Partner Activation

- Once the MOU is signed, the partner's account is officially activated on the AdmitNation platform.
- From this point, the partner is fully onboarded and ready to collaborate.
- The system also marks MOU validity and sends expiry reminders to ensure continuous compliance.

Activation Highlights:

- Verified and activated partner profile.
- Automated MOU tracking and reminders.
- Ready to start collaboration.

Why This System Matters

- The Partner Signup & Onboarding System isn't just about digital efficiency. It's about building stronger and more transparent relationships.
- For partners, it ensures a smooth and guided experience with clarity at every step.
- For our internal teams, it reduces manual work and focuses effort on meaningful engagement instead of paperwork.

Benefits at a Glance

A transparent, friendly and structured onboarding experience

- Clear steps for, no guesswork, ensures partners know exactly what to do at every stage.
- Form fields are dynamic, updates based only on business type and legal entity.
- Consistent instructions and forms across all business types minimize confusion.
- Built on collaborative intents rather than one-sided transactional approaches.
- It's ideally, intuitive interface makes the entire process smooth and approachable.

One place to manage all partner data and documents securely

- Centralized digital storage eliminates the need for scattered files or paper documents.
- Secure cloud-based system with data encryption to protect sensitive partner information.
- Easy access for authorized team members to view or verify documents instantly.
- Automated record keeping ensures compliance and simplifies audits.
- Partners can update or manage their details anytime without resubmitting from scratch.

Faster onboarding process with real-time verification

- Automated verification checks partner details instantly, reducing waiting time.
- Structured workflows minimize back-and-forth communication.
- Smart validations issue applications in the right terms for quick review.
- Digitized forms and signature handling remove paperwork and physical meeting.
- Partners can be activated within hours instead of days, accelerating collaboration.

Strengthened collaboration through trust and consistency

- Transparent processes build confidence and long-term reliability between AdmitNation and partners.
- Standardized onboarding ensures equal treatment for every partner type.
- Digital records create accountability and traceability for every action taken.
- Regular system notifications keep both parties informed of key updates or requirements.
